TROTTERING NOTES.

Army Requet, who was turned down by  
a government inspector, has been racing  
fairly well in the west, but does not have  
the winning habit so necessary to be a  
success in the army.

The track, known as N. Y., is being  
turned up for the purpose of giving it a new  
drawing of top soil, which will be taken  
from the infield. The course was originally  
covered with soil from the same place  
and it has been found to be of very su-  
perior quality.

Seventeen trotters obtained new records  
at 1:40 or better this season. They were  
sired by 14 different stallions. Murphy,  
Cox, Goss, Valentine, Stokes and H.  
Piemont each put two in the list, and Mc-  
Donald, Gilman, Serrill, Hinds and Wilson  
one each.

Single G. holds the record for a straight  
three-beat race, 1:35, 2:50 and 2:40 3-4,  
and also for a split three-beat race, 1:38  
1-4, 1:38 1-2 and 1:39 3-4. Miss Harris M.  
winning the first and fastest heat of the  
latter race. The first named performance  
was at Atlantic City, 22, and the latter at  
Toledo August, 1919.

A group of the leading business men of  
Bradford, Ont., are contemplating the  
construction of a half mile track in that  
town for harness racing. It is present plans  
to through the track will be ready for  
running by the middle of next season.

Harold Deitz, by Maria Deitz, 2:15, owned  
by Gov. James M. Cox of Ohio, demon-  
strated his speed for president, did prob-  
ably at Walnut Hill farm a few days  
ago.

Prince Lavee was taken sick soon after  
he made his record of two minutes and  
went to a hospital at Lexington, Ky., but  
he is improving and will apparently be  
himself again soon.

The yearling colt, Colateral, by Peter  
Vain, 2:02, that holds the season's record  
of 2:14 1-4 for that age, was started to  
beat the yearling half mile track record  
of 2:21 1-2, held by U. Forbes (2), 2:21  
1-4, at Palestine, Ill., Oct. 22, and trotted  
the mile in 2:17.

Charles Stokely, the Gothen trainer, ar-  
rived home last week from his long cam-  
paign. His last racing being at Emporia,  
Va. He won the season at Harrington,  
Del., in July. It has been a very good  
season for Charles, as he won 30 races and  
was 24 times second.

There were 15 meetings in the Grand  
Circuit this season, at which 219 races  
were decided, 181 for trotters and 129 for  
pacers. 1,138 horses started in the trot-  
ting races and 734 in those for pacers,  
a total of 1,872. Last year at 15 meetings  
there were 216 races, in which 1,890  
horses started, showing the supply of  
racing material steadily diminishing.

The total value of the horses the past  
season was \$122,749.45, of which the trot-  
ters received \$102,518.87, and the pacers  
\$20,230.58. In 1919 the value of all  
horses was \$106,442.58, showing the ex-  
isting capacity is gradually increasing. Peter  
Manning is the largest money winning  
routier of the year, as well as the fastest  
record performer, with \$26,550 in 10 heats  
out of 11 starts. Arion Gray is second  
with \$16,475, and Peter Coley third with  
\$15,956.—Trotter and Pacer.

Philadelphia, Nov. 15.—The Pennsylva-  
nia railroad will lay off 2,500 more men,  
1,800 of them on the Philadelphia divi-  
sion, within the next five days, accord-  
ing to announcement today by the com-  
pany.

a total net reduction of over 10,000 em-  
ployees of the Pennsylvania system, most  
of them east of Pittsburgh.

USE SLOAN'S TO  
WARD OFF PAIN

You can just tell by its healthy,  
stimulating odor, that it is  
going to do you good.

I F I only had some Sloan's Lin-  
iment! He often says you've said  
that! And then when the rheu-  
matic twinges subside—after hours of  
suffering—you forget it!

Don't do it again—get a bottle to-  
day and keep it handy for possible use  
tonight! A sudden attack may come  
on—sciatica, lumbago, sore muscles,  
backache, stiff joints, neuralgia, the  
pains and aches resulting from expo-  
sure. You'll soon find warmth and re-  
lief in Sloan's Liniment that pre-  
vents without rubbing. Clean, economi-  
cal. Three sizes—35c, 70c, \$1.40

**Sloan's**  
Liniment

Philadelphia, Nov. 15.—Angie Ratner  
of New York outpointed Bryan Downey,  
Columbus, O., in an eight round bout here  
tonight. K. O. George Chaney, Balti-  
more, knocked out Johnny Mahoney,  
Hastleton, Pa., in the fourth round with a  
right to the jaw.

The referee stopped the Chaney-Mahoney  
fight in order to save Mahoney fur-  
ther punishment, giving the Baltimore  
boxer a technical knockout victory.

FRED FULTON KNOCKED  
OUT HARRY WILLIAMS

Winnipeg, Man., Nov. 15.—Fred Fulton,  
Minneapolis heavyweight, knocked out  
Harry Williams of San Francisco in the

contest here tonight. Fulton went a left  
to the jaw and a right to the head to  
floor his opponent.

LOUIS BOGASH SCORES  
A TECHNICAL KNOCKOUT

Bridgeport, Conn., Nov. 15.—Louis  
Bogash, Bridgeport welterweight boxer,  
scored a technical knockout over Red Al-  
len of Brooklyn, N. Y., in the fourth  
round of a scheduled 12-round bout here  
tonight. Allen's seconds conceded the  
contest to Bogash after the Brooklyn boy  
had been badly punished, and the referee  
awarded the decision to the Connecticut  
boxer.

COMBINED INTERESTS IN STAGING  
BOOTS IN THIS COUNTRY

New York, Nov. 15.—Tex Rickard,  
Charles Coleman of London and William  
A. Brady, co-promoters of the Dempsey-  
Carpentier championship boxing contest,  
have combined their interests in staging  
bouts in this country. It was learned to-  
night through the granting of a charter  
at Albany today to the "Dempsey-Car-  
pentier Contest Company."

The three men are the only di-  
rectors of the corporation, which will  
hold contests under the name of "The  
American Sporting Club," a representa-  
tive of the Dempsey-Carpentier fight. The  
company is under control of the three men,  
it is understood, will look after the  
European interests of the corporation in  
inducing foreign pugilists to come to  
this country.

DEMPSEY-CARPENTIER CONTEST  
COMPANY GRANTED CHARTER

Albany, N. Y., Nov. 15.—The Dempsey-  
Carpentier Contest Company of New York  
has been granted a charter by the legisla-  
ture today. Subscribers to the capital  
stock are Kilbourn Gordon, Martin Turner  
and Nathan Vidaver, all of New York.  
The organization is capitalized for  
\$10,000. According to the certificate  
of incorporation, the objects of the cor-  
poration are to organize, control and pro-  
mote boxing exhibitions and contests and  
also exercise disciplinary authority in  
connection with such contests.

LEFT CUT FOR RACE BETWEEN  
TAIL, CORNELL AND HARVARD

New York, Nov. 15.—A \$1,000 cup,  
to be won by eight-staff crews of Har-  
vard, Yale and Cornell, was provided for  
in the will of Lawrence E. Sexton,  
hunter and sportsman, whose net estate  
was appraised here today at \$24,655.

MARKET WAS UNSETTLED.

New York, Nov. 15.—The week in the  
stock market opened with a resumption  
of the recent pronounced reactionary  
trend, but this was checked before the  
close by a rally in the afternoon. The  
market was unsettled by speculative in-  
dustrial and affiliated specialties.

Heavy selling in the first hour, when  
dealers anticipated a further widening  
of weakened accounts whose holders  
were unable or unwilling to respond to  
calls for extra margins.

Gross recessions extended from one to  
almost four points but most of these were  
recovered within the first hour, when  
dealers anticipated a further widening  
of weakened accounts whose holders  
were unable or unwilling to respond to  
calls for extra margins.

Such leaders as U. S. Steel, Reading,  
Southern Pacific, Northern Pacific, Mexi-  
can and Pan-American Petroleum com-  
panies, and others, showed a general  
tendency to 2 1/2 points, while Baldwin,  
after displaying marked recuperative  
power, made a net loss of 1-1/4. Sales  
amounted to \$1,000,000 shares.

News and other incidents during the  
Sunday recess brought no relief from  
long-recognized backward conditions.  
Notably, Belgium, 7-1/2's and French 5's  
showing special heaviness. Most Lib-  
erty bonds were lower with active 6's  
notably lower. Total sales (on value)  
aggregated \$16,775,000. Old U. S. bonds  
were unchanged on call.

PRINCETON CELEBRATED ITS  
UNDEFEATED FOOTBALL SEASON

Princeton, N. J., Nov. 15.—Princeton  
tonight celebrated its undefeated foot-  
ball season by defeating Yale in a game  
played at Yale with a huge bonfire. The  
game from wood gathered all day by the  
freemen, who heaped it about Princeton's  
Revolutionary cannon, always the  
immediate hub of football bonfires at Old  
Nassau. The fire lasted well into the  
night and could be seen for ten miles  
over the countryside.

JACKSON WON HIS SECOND GAME  
IN BILLIARD TOURNAMENT

Chicago, Nov. 15.—Clarence Jackson  
of Kansas City won his second game in  
the preliminaries of the national three-  
cushion billiard tournament by defeat-  
ing Hugh Lea of Toledo today, 50 to  
26 in 58 innings. Charles Morris of Chi-  
cago won from Jess Leach of Denver, 60  
to 40 in 83 innings.

PIONEERS BASKET BALL TEAM  
ORGANIZED FOR SEASON

The Pioneers Basket Ball Club of  
Jewett City organized for the season and  
are ready to meet the fastest amateur  
teams in the state. This club is sure  
out to make a record for itself as the  
management has been fortunate enough  
to sign up a lot of clever basket ball  
players to be included in this year's  
squad namely, Geo. Leach, Joe Barry,  
Jack Leach, Chet Stafford, Herb La-  
fayette, Bill Liberty and Joe Gilbert.

The Pioneers will open their season  
Thursday afternoon in Putnam where  
they will meet the fast Putnam Trade  
school five of that city.

As the management is at the present  
filling his schedule for the season, he  
would like to hear from any fast amate-  
ur team in the state including Nar-  
row, N. Y. M. A., Tattville Barcarat,  
New London Tabs, Sanitary Corps of  
Western and Danleison Eagles. Ad-  
dress all communications to Pioneers  
Basket Ball Club, Jewett City, Box 173.

Tigers Defeat Manchester

Norwich fans who were fortunate  
enough to be at the Fairgrounds Satur-  
day were presented with a good exhibi-  
tion of football by the Tigers in their  
clash with the Eagles of Manchester,  
the former won by the score of 6 to 0.

The only thing that could mar the  
day was the delayed appearance of  
Manchester, by hard luck on the road.  
This hard luck was nothing compared  
to what they met when the team lined  
up on the field. From the first whistle  
the Tigers played their way down the  
field scored the only tally of the game  
in the first quarter. In the second, third

and last quarters both teams displayed  
unusual skill in football tactics. No  
Sunday the Yankee Division of New  
Haven will be seen at the fairgrounds.

POWER COMPANY ROLLERS  
RATTLE AT DUCKPINS

Four teams made up of employees of the  
Eastern Connecticut Power company bat-  
tled for honors in two match games  
rolled Monday night on the Aetna bowling  
alleys. The operating department defeat-  
ed the line department by a total pinfall  
of 1227 to 1264, while the office depart-  
ment handed out a defeat to the con-  
struction department to the tune of 1231  
to 1261.

The various departments each had a  
crowd of rooters on hand and the two  
match games proved the center of attrac-  
tion at the alleys Monday night. This  
was the first of a series of matches to be  
rolled by the four teams each Monday  
night.

High scores for the evening were 194 and  
was rolled by Peckham of the line de-  
partment. Second high score, 193,  
was brought home by H. Sistrare of the  
operating department team. However,  
high three string total, 295, was rolled  
by Chester of the office department. The  
office men were the most consistent bow-  
lers, averaging 80 or better for the even-  
ing.

PETERSON TO OPPOSE HOPPE  
AT HARTFORD THIS WEEK

Bill Hoppe and Bill Lards are one.  
Bill Hoppe, minus Bill Lards, would be  
just like the rest of us.

Bill Lards, minus Bill Hoppe, would be  
badly crippled.

But Bill Lards, with Bill Hoppe wield-  
ing the cue, is a very entertaining sport.  
Lards is many decades older than  
Hoppe but the Hoppe offering has  
been the greatest individual asset Bill  
Lards ever had.

No billiardist has gained the fame and  
publicity earned by the brilliant Hoppe.  
No other athlete has had more written  
about him. He has been before the pub-  
lic for more than two decades and during  
that time always has performed as a  
star.

Hoppe broke in crowned circles first  
in 1906 when he created the title from  
Lignais in Paris. From that time until  
the present he has remained unbeaten.  
He has come his way but all look alike. He  
is the billiard master and cue king.

Hoppe has been seen in virtually all  
parts of the United States. He is the one  
champion who has pleased, whether in  
exhibition or championship matches. His  
even temperament, pleasing personality  
and artistic average for 45,000  
points on the last American tour is the  
greatest mark ever registered.

Hoppe will play at Hartford Novem-  
ber 15 and 16th.

Charles C. Peterson will oppose Hoppe.  
Peterson opens with a brief lecture and  
after the 25th point match against Hoppe  
concludes with his famous fancy shot act.

AMATEUR-PROFESSIONAL  
TOURNAMENT AT PINEHURST

Pinehurst, N. C., November 15.—Pine-  
hurst, N. C., November 15.—Pinehurst  
will hold a tournament, scheduled for No-  
vember 20-22, promises to prove a rather  
important event and one that is likely  
in the course of time to become one of  
the big fixtures of the winter season.

As a general rule a November tourna-  
ment could hardly be expected to make  
any great hit with the prominent ama-  
teur or professional players who had  
just wound up a long and arduous sea-  
son of tournament golf. An appeal to  
entirely different players, however, in the form of an  
inter-club contest—one of the features of  
the coming Pinehurst event—has already  
brought forth fruit in the shape of en-  
tries from clubs ranging from Georgia  
up to Maine, and from as far west as  
Chicago.

Wilfrid Reid, Mike Brady, Willie Orr,  
Charles Matheson, Joe Mitchell, Willie  
Wilson, Emmet French, Leo Diegel and  
other well known professionals have for-  
warded their entries conjointly with three  
clubs rival in importance, the North  
and South Open and Amateur Champion-  
ship tournaments held annually at Pine-  
hurst in early April.

TERMS OF THE TURKISH-  
ARMENIAN ARMISTICE

Washington, Nov. 15.—The state de-  
partment received today a summary of  
the terms of the armistice between the  
Turkish Nationalist forces and the Ar-

menians. It included the follow-  
ing provisions:

Armenian troops to withdraw from the  
bank of the Arps river.

Turkish forces, during the peace nego-  
tiations, to occupy Alexandropol and a  
territory within a radius of ten kilome-  
ters around the city.

Turkish forces to guarantee order and  
to preserve the safety of all persons in  
Alexandropol.

SESSION OF THE NATIONAL  
LEAGUE OF WOMEN VOTERS

New York, Nov. 15.—Rapid spread of  
education in citizenship throughout the  
country in campaigns sponsored by the  
Non-Partisan National League of Women  
Voters was reported by various speakers  
when that organization opened its two-  
day regional conference here today.

The league is now concentrating its ef-  
forts in behalf of the proposed Shep-  
ard-Towner bill to come before con-  
gress in December, which provides pro-  
tection for maternity and infancy through  
national education of women. It is car-  
rying on its activities in forty-six states,  
spread across the country, the peace nego-  
tiations, to occupy Alexandropol and a  
territory within a radius of ten kilome-  
ters around the city.

Among those who addressed the open-  
ing session were Mrs. Maud Wood Park  
of Boston, Mrs. Frank A. Vandenberg  
and Miss Mary Garrett Hay, national state  
and city chairmen, respectively.

WRECKAGE OF AEROPLANE  
ON LAKE MICHIGAN SHORE

Muskegon, Mich., Nov. 15.—Wreckage  
of a seaplane, picked up along the Lake  
Michigan shore near the White Lake  
coast guard station Saturday, was iden-  
tified today by William P. Sullivan of  
the Great Lakes naval training station,  
as a part of the naval machine "H-1," a  
which left Great Lakes last Wednesday  
and is believed to have been wrecked on  
a storm shortly afterward.

Search for the bodies of the three  
members of the crew was continued with-  
out success. Coast guards will continue  
the search off Pentwater tomorrow.

ment of the tablet goes to the club win-

Tom McNamara and one or two others  
have entered without partners. Walter  
Hagen writes from his Adirondack  
camp: "This event is something out of  
the ordinary and the attendance will be  
good because the prize money offered is  
so tempting to be turned down. Golf at  
Pinehurst this season of the year will be  
a novelty for me"—which presumably  
means that Hagen will be among those  
present when play begins Saturday.

Jack Hutchinson is previously paired  
with Chick Evans and so Douglas Edgar  
is also expected. Hutchinson and Edgar  
will be afforded every opportunity to  
play off that historic match in which  
Edgar recently invited Jack to  
participate. Pinehurst should prove a  
good neutral ground for these two ex-  
perts for although the Atlanta man is  
his Chicago colleague, Hutchinson on the  
other hand has played at Pinehurst far  
more often than Edgar.

The tournament will be 72 holes best  
ball medal play—3 holes on Saturday  
the 26th and 34 holes on Monday the  
22nd. The professional purse aggregate  
\$11,750 for the winning professional to re-  
ceive \$500; second \$300; third \$200;  
fourth, 100; and fifth \$75. The amateur  
prizes will be sterling trophies. Profes-  
sional contestants will be accorded hotel  
accommodations without charge.

The Annual Autumn Tournament, Nov.  
23-27, follows right on the heels of the  
amateur event and is therefore as-  
sured of an exceptionally strong field of  
contestants. It would not be surprising  
if these two November events finally  
came to rival in importance the North  
and South Open and Amateur Champion-  
ship tournaments held annually at Pine-
